

What is LottoGopher

LottoGopher Holdings Inc. is a lottery messenger service that allows users to easily order and manage their state lottery tickets online using a debit or credit card.

By allowing individuals to choose their numbers and safely order tickets for the official lottery drawings in California, LottoGopher makes it simple for users to keep track of their tickets and winnings. With LottoGopher, individuals can either play alone with a single ticket or create and join online public and private groups to pool winnings from California lotteries, including MEGA Millions, Powerball and Super Lotto Plus.

LottoGopher offers memberships that allow California residents to order multiple tickets from various lotteries. LottoGopher also enables users to stay up to date on the latest drawings, track their tickets and collect winnings. Members have exclusive access to expert player strategies, jackpot alerts, lottery news, lucky number pickers and winners' financial resources.

Online Advantage

Powerball reached \$1.6 billion in January of 2016. Line-ups were hours long for some retailers during this lottery frenzy. How many people would consider a \$3 day pass or a \$12 monthly membership during the next big lottery draw?

Key Metrics During testing period:

- 7% of all visitors to the site provided an email address
- 43% of those email sign-ups became members who placed orders
- 12% of freemium plan members were converted to paid membership plans

Forward-Looking Statement

This brochure contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "projections", "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this brochure contains forward-looking statements and information concerning LottoGopher's future financial performance. The forward-looking statements and information are based on certain key expectations and assumptions made by LottoGopher, including expectations and assumptions concerning the success of new product development, LottoGopher's ability to integrate acquired businesses and complete strategic acquisitions of additional business and other factors that affect demand for LottoGopher's products. Although LottoGopher believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information because LottoGopher can give no assurance that they will prove to be correct.

By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause LottoGopher's actual results and experience to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to expenditures and other factors that affect demand for LottoGopher's products, industry competition, the need to effectively integrate acquired businesses, uncertainties as to LottoGopher's ability to implement its business strategy effectively in Canada and the United States, labor, equipment and material costs, access to capital markets, interest and currency exchange rates, technological developments, political and economic conditions and LottoGopher's ability to attract and retain key personnel. Additional information on these and other factors is available in the continuous disclosure materials filed by LottoGopher with Canadian securities regulators.

Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date it is expressed in this brochure or otherwise, and not to use future-oriented information or financial outlooks for anything other than their intended purpose. LottoGopher undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
